## **Training and Skills Development**

*The Big Shake up  
The Small Business Toolkit  
Supply Chain Management*

## **Asset Funding & Mentorship**

*18-month business mentoring & coaching  
Guided asset purchases*

### **OUTCOMES:**

To create sustainable small businesses by equipping interested community members with the skills, tools and equipment they need to address an identified social or economic challenge in their community.

Our Life Chain Approach will identify the opportunities to ensure the best chance of success for small ventures in the communities.

### **IMPLEMENTATION:**

- small business mentorship
- guided asset purchases,
- business support services
- accredited business skills and other industry specific training
