Youth4Change

Micro-Genesis: Skills Development

6 month Leadership Skills Modules
Youth Leadership Camp

Career Building Programme:

3 Week Practical Workshops
Choices, Job Skills & Business Skills

OUTCOMES:

To address the youth unemployment crisis and equip participants with a wide scope of options, helping them to make better career and life choices while igniting their potential. The Youth programmes are implemented in partnership with Lead Academy, an accredited Training Provider.

IMPLEMENTATION: Micro-Genesis Programme: 6 Months

- A Higher Certificate in Leadership Skills
- A variety of course related practical activities and life experience outings
- Life Skills orientation modules

IMPLEMENTATION: Career Building Programme: 3 Weeks

- Choices: workshops address the following topics: Community Youth, Social Skills, Tech Skills & The Lean Canvas
- Job Skills: 5 days preparing for entry into the job market & career day expo
- Business Skills: unpacking practical methods & approaches to running a small business and ending with an interactive business simulation game.
- Participants exit with a certificate of attendance.
