ANGELS REACHING OUT IN SUPPORT

... Committed to making a meaningful impact in the communities we serve.

Angels Resource Centres is a non-profit organisation (NPO) registered with the Department of Social Development since 2015. We hold a Level 1 B-BBEE rating and have Public Benefit Organisation status at SARS.

As part of our Corporate Social Investment (CSI) initiatives, we are proud to have adopted this Primary School in Delft, Western Cape:

Your support will directly impact the beneficiaries of our social responsibility and outreach initiatives and help us to bring sustainable change to this community.

Sandaalhout Primary School

Founded in 2019: 28 teachers and 1100 children (Gr1-7)

Our mission is to empower both teachers and learners by creating a nurturing, well-resourced environment where education can flourish.

With your support, we aim to come along side and uplift the school, equipping it with the tools and resources needed for staff and learners to thrive.

To achieve this, we will focus on the following key areas:

Fundraising events: to generate essential resources to support security upgrades, fencing, sports field improvements, and the school feeding scheme, ensuring learners have a safe space to learn and grow.

Stationery drives: to equip the students for academic success by providing adequate materials needed throughout the year.

Teaching aids and equipment: to enhance classroom engagement. Including computers, whiteboards, flipcharts, printers and teacher stationery to facilitate interactive and effective learning.

IGNITE - INTEGRATE - IMPACT

... Partner with us and help make a real difference!

Through these initiatives, we aim to support teachers, giving them the tools needed to engage meaningfully with their learners and foster a productive and positive learning experience. We believe that with the right support, Sandaalhout Primary School can become a beacon of hope and opportunity for the staff, the learners - and their community! Join us in support of this journey of much needed transformation, by becoming a sponsor or volunteering your time!

Together, we can make a lasting impact!
